

# Mathematical Methods In Geophysical Imaging V: 20-21 July, 1998, San Diego, California

by Siamak Hassanzadeh; Society of Photo-optical  
Instrumentation Engineers

Mathematical Methods in Geophysical Imaging V: 20-21 July, 1998, San Diego, California, Volume 5. Front Cover. Society of Photo-Optical Instrumentation Full Title: Mathematical Methods In Geophysical Imaging V: 20-21 July, 1998, San Diego, California Author/Editor(s): Siamak . Proceedings Of SPIE--the International Society For Optical Engineering ( v. 3453 ) Number of pages: 210 (vii, 210 Mathematical methods in geophysical imaging V : 20-21 July, 1998 . Mathematical methods in geophysical imaging V : 20-21 July 1998 . Mathematical Methods in Geophysical Imaging V: 20-21 July, 1998 . 25 Mar 2013 . Mathematical Methods in Geophysical Imaging V: 20-21 July, 1998, San Diego, California (Proceedings of Spie--the International Society for Mathematical Methods in Geophysical Imaging - OPAC - ?????? Mathematical Methods in Geophysical Imaging V. July 20-21,1998. San Diego, CA. June 1998. This is a preprint of apaperintendedfor publication in ajournal or Mathematical Methods in Geophysical Imaging V: 20-21 July, 1998 . Mathematical methods in geophysical imaging V : 20-21 July, 1998, San Diego, California / Siamak Hassanzadeh, chair/editor ; sponsored and published by . Mathematical Methods in Geophysical Imaging V: 20-21 July, 1998 .
